December 2019

Christmas Charity Fair

On the 13th December, we celebrated the Christmas Charity Fair. There was a fantastic selection of food and games. Students and staff also showed off their talents on stage performing a variety of songs. As well as having fun, we also raised a substantial amount of money for our Caritas, our charity for this year. The provisional profit amounts to 97,500,000 VND.

Thank you all for the support that made the fair the great success it turned out to be.

IN THIS ISSUE

- Christmas Charity Fair
- Looking back
- OBV Year 4 and 5
- Orphanage Charity Visit

It is Christmas time again which means holiday time for our hardworking students and staff.

Our heartfelt gratitude to all parents, staff and students for their unselfish support and dedication to student achievement

We wish you all a joyous and peaceful Christmas and the very best for the New Year.

From all of us at Singapore International School @ Vung Tau

Dudley Schroeder
Principal

Christmas Charity Fair 13 December 2019 @ SIS @ Vung Tau

Some of the activities at the Christmas Charity Fair held on Friday evening at school.

What a great atmosphere. The Christmas Carols staged by teachers and students were amazing.

Looking Back on 2019

2019 has been an eventful year for SIS @ Vung Tau. We celebrated some amazing results for our students and saw SIS becoming fully accredited with WASC. Thank you, for all the support from the parents and local community and we look forward to seeing you in 2020!

OBV – Year 4 and Year 5

As part of the SIS philosophy, and our curriculum aimed at enhancing the holistic development of the child, we welcomed the facilitators from Outward Bound Vietnam to our school last month for their 2-day overnight programme for our Year 4 and 5 students.

Students learnt how to work better in teams through physical and mental team-challenges, how to be more sensitive to cultural and language differences, and were encouraged to work on their independent thinking, responsibility, accountability, confidence, and leadership skills through a variety of intricate and entertaining activities.

Some of the activities above at OBV Camp for Years 4 and 5 at school. Developing the soft skills is paramount for future employment. Acquiring Leadership skills, collaboration and negotiation skills as well as acquiring time management skills were worked on through fun activities

Donations to local orphanage: Visit

This Christmas season, the combined IGCSE classes and the Student Council of SIS @ Vung Tau worked on an annual charity project for a local orphanage. This has become an annual event combined with our fundraising for charity. Every Form class, including parents, have been very supportive in helping to contribute the many donations during our month-long food drive. While there, we performed 3 Christmas songs to bring the holiday spirit to all. The children seemed really happy to see us perform. Apart from giving gifts and performing, we also went around the campus to learn more about their daily lives and to spend some quality time interacting with the kids. It was amazing to make connections with new people, even if it was for such a short period of time. We, as the IGCSE class and Student Council, would like to thank everyone for their contributions and support. Working together has made all of this possible. Merry Christmas from the students in IGCSE 1 & 2 and our Student Council.
